

91394B

Let your kitchen show off its curves.

This range hood strikes a balance between refined looks and simplicity in maintenance. Its innovative curved corner design makes removing the filter for cleaning a snap.

- European design chimney hood
- Push-button control
- 30-inch width
- Brushed stainless steel finish
- Centrifugal blower delivers 450 CFM
- Dual 20-watt halogen bulbs included
- Dishwasher-safe aluminum filter features a quick-release latch and professional style appearance.
- Ducted telescopic flue accommodates ceiling heights from 8 to 9 feet.
- Install hood so that the bottom of the unit is 24" above the cooking surface.
