SELECT THE TOOL SET

STANDARD tool set VAK1

STANDARD HARD FLOOR BRUSH
10 in. wide hard floor brush features swivel neck and unique bristle cut to ensure efficient debris collection. Ideal for spaces with no carpet.

30 FT. CRUSHPROOF HOSE
Crushproof hose. Universal wall end to fit most inlet valves.

STAINLESS STEEL TELESCOPIC WAND
Adjustable length ranging from 26.5 in. to 41 in.

LONG CREVICE
Notched end, ensures continuous airflow for optimum cleaning in narrow or hard-to-reach places.

★ ALSO SOLD SEPARATELY

With vacuum accessories for virtually every type of flooring, whether it be hard flooring or carpet, Venmar makes it easy to keep your home looking its best. Choose the kit that best suits your needs. Kits sold separately.

DELUXE tool set VAK2

CONVENIENT MULTI-SURFACE BRUSH
Large, premium multi-surface floor brush is ideal for cleaning both hard flooring and carpet. Highly maneuverable and durable, this convenient combination floor tool is among the quietest available.

CRUSHPROOF 30 FT. LOW-VOLTAGE HOSE
Crushproof hose features an ergonomic handle with full 360-degree rotation to help prevent wrist strain and hose kinking. Knitted hose sock to protect furniture and trim from scratches (easy installation tube included). Universal wall end to fit most inlet valves. 3-year warranty.

PREMIUM HARD FLOOR BRUSH
Soft bristle floor brush with side channels for better edge cleaning. Scalloped bristle pattern avoids snow plowing debris while controlling airflow for superior pick-up of all debris.

MESH STORAGE BAG
Keeps tools organized and in easy reach.

ELECTRIC POWER BRUSH
For deep cleaning of medium to high pile carpet. Full-width deluxe brush for maximum cleaning zone. More effective for picking up dirt in corners and along walls.

CRUSHPROOF 30 FT. DUAL-VOLTAGE HOSE
Crushproof hose features an ergonomic handle with full 360-degree rotation to help prevent wrist strain and hose kinking. Knitted hose sock to protect furniture and trim from scratches (easy installation tube included). Universal wall end to fit most inlet valves. 3-year warranty.

ELECTRIC WAND
Dedicated wand for electric power brush.

PREMIUM HARD FLOOR BRUSH
Extra-wide 13 in. premium hard floor brush with soft bristles that are gentle on wood floors. Patented swivel pivot connection allows for effortless maneuvering in tight spaces.

WAND HANGER
For easy storage on wall or back of door.

UPHOLSTERY TOOL
For easy cleaning of furniture.

DUSTING BRUSH
Soft bristles won't scratch surfaces.

STRONG METAL HOSE HANGER
For fast and easy hose storage.

OPTIONAL ACCESSORIES

GK225 GARAGE AND CAR CARE KIT

- 50 ft. long crushproof hose allows you to move easily around the garage and the car
- Kit includes crevice tool, floor brush, dusting brush, upholstery tool, cloth caddy bag and hose hanger

BN165 AIR-DRIVEN BRUSH

- Ideal for homes with a mix of hard floors and carpet. The air-driven turbine cleans low to medium pile carpets effectively and eliminates the need for a separate electric power brush.

BNHS30 KNITTED HOSE SOCK

- Protects banisters, walls, furniture, floors, wall coverings and moldings
- Fits all brands and models of hoses
- Available in 30 ft. length

V600W VACUSWEEP® INLET VALVE

- Makes it easy for debris and dirt to be swept and removed from non-carpeted surfaces
- For use in kitchen, mudroom, workshop, and any sweepable area
- Available in white only

V601W VACUSWEEP® TRIM PLATE

- Available in white only

CLEAN AIR LIVING™

CENTRAL VACUUMS

IN-DEPTH CLEANING FOR A HEALTHIER ENVIRONMENT

For more than 35 years, Venmar has been helping homeowners to enjoy better quality of life through better air quality. By combining **suction power** and **high-performance HEPA filtration**, Venmar's new line of central vacuums represents a healthy solution for the well-being of your family and may even help to reduce symptoms associated with allergies and respiratory problems.

Reliable and durable, Venmar vacuums are entirely manufactured in Canada and are backed by a warranty of up to 10 years so you can count on performance and peace of mind for years to come.

COMPACT AND EFFICIENT

EASY TO INSTALL

Perfect for new or replacement installations

A multi-direction vacuum inlet makes installation easy even in small spaces. Each model includes a wall mount support for safe and simple installation. Our five-step installation guide facilitates the work and the quality of execution.

See the complete installation guide on www.venmar.ca

Products may not be exactly as shown.

Your healthy solution

Dust mites, hair, spores, pollen and other microparticles may create an environment conducive to the development of respiratory problems such as allergies and asthma.

Suction power

More efficient than a portable vacuum. **Up to 650 air watts** to remove dust and other allergens.

Double HEPA filtration

Up to 99.97% clean air*. Virtually no exhausting of dust or allergen microparticles.

HEPA filter for motor exhaust provides two levels of system filtration

Fully sealed, permanent self-cleaning HEPA filter

*Captures particles as small as 0.3 micron.

So convenient

Large ergonomic latches on the debris pail make emptying your central vacuum child's play. The easy-to-remove debris pail facilitates handling and limits contact with dust.
